The Chinese Society of Nova Scotia is very shocked and saddened at the sudden and unexpected death of Shengwei Mao, a Chinese student who studied at a local university. On the behalf of the Society, we want to extend our deepest condolences to the family of Shengwei Mao.

We hope that our members, the Chinese students in Halifax as well as our community at large will work together to extend our loving hearts and lend our helping hands to the Mao's family in distress and in need.

CSNS is now taking an initiative on a fundraising event to help ease financial burden on the Mao's family for their upcoming trip to Canada. If you wish to make a donation to the Mao's family or become a volunteer in helping out Mao's family members, who will come to Halifax soon, please contact the society at Chinese@cs-ns.com.

We extend our sincere thanks for your support and assistance.
